

## Christian Preschool

10801 La Cholla Blvd. Tucson, Arizona  
Office: (520) 297-0393 Fax: (520) 878-1212

Dear Parents,

The purpose of this letter is to inform you of the skills your two year old will be introduced to this school year.

Your child's spiritual, physical, cognitive, and social-emotional development is interrelated. The curriculum guide (*Wee Learn*) is developed around themes which provide opportunities for the children to learn about God, Jesus, the Bible, the church, self, family, others and the natural world.

Some examples of this are posted below:

**Spiritual Development:** We help the children understand that "God created all things", "God made them and loves them", and we reinforce the preparation of preschool in a Christian environment.

**Cognitive Development:** We enhance the cognitive development of our children through multi sensory activities. We will introduce them to shapes, colors, letters and numbers 1-10. We follow theme related activities that are planned in sequential manner to foster curiosity and development.

**Social-Emotional Development:** We promote character qualities, citizenship and community awareness. We support a positive self esteem through praise and encouragement.

**Physical Development:** We reinforce physical development with games, songs, poems, drama, & multi media.

If you would like more information, please talk to your child's teacher.

Sincerely,

Cindy Rodriguez,  
KCCP Director
