KID CITY
CHRISTIAN PRESCHOOL

A Family of Learning

2026-2027
Rates and Dates

Kid City Christian Preschool ("KCCP") provides a wide range of age-appropriate early education experiences for children from one to five years of age (Pre-K). KCCP's learning program is based on an age targeted "WEE Learn" curriculum guide, developed by early education specialists from Lifeway Christian Resources.

The WEE Learn activity-based curriculum is designed to educate young children by providing individual and group experiences. There is a balance of choices through creative expression and indoor and outdoor play. Learning center activities allow children to learn through experience as well as auditory comprehension. The WEE Learn curriculum is biblically based. KCCP teachers invite conversation and provide a flexible learning/activity schedule within a familiar routine.

Spiritual, physical, mental, emotional, and social development is equally important for young children at Kid City Christian Preschool. KCCP teachers seek partnership with parents while instilling in our children a love of learning. The goal is to lay a foundation for understanding God, Jesus, the Bible, church, self, the family, others, and the world around them.

Then children were brought to Him that He might lay His hands on them and pray. The disciples rebuked the people, but Jesus said, "Let the little children come to me, and do not hinder them, for to such belongs the kingdom of heaven." Matthew 19:13-14 ESV
